

Soror Sidney K. Hason Pearl-In-Memoriam

Soror Sidney Hason joined Alpha Iota Chapter, Oakland California in 1962.

She was a strong, proud, self-confident, organizer, revolutionary, family oriented, champion of "what is right" woman was certainly one who truly made a difference. Her contributions to the chapter, region and national were immeasurable.

As Director of the Far Western Region Soror Hason identified issues that plagued the Organization, proceeded to correct them and made the Far Western Region a model to be emulated. Because of the improvements made under the governance of Soror Hason, the then Supreme Basileus Adams asked and received permission to use some of her operating principals at the national level.

Soror Sidney Hason further distinguished herself by conceptualizing and formulating a Birthday Calendar that chronicled the history of Gamma Phi Delta Sorority, Inc. and produced funds for the youth programs.
