Always insisting that we keep Gamma Phi Delta strong.

Soror Myers was truly a Gamma Phi Delta champ, she taught us not to quit but always try. Soror Myers taught us to achieve the goals we set, that through trusting God our goals would be met, and to everything that Gamma Phi Delta set out to do, we must complete the task always seeing it through. We'll remember how she brought us so much cheer. Her kind, sweet and gentle touch, will be missed by us all who loved her so much".
